DAVENPORT, Iowa - July 12, 2022 -

Northwest Plumbing, Heating & AC, a company based in Davenport, IA, is pleased to announce that they are offering services for drain cleaning and clogged sinks in the Quad Cities region. The said services are part of their comprehensive plumbing services so homeowners and other property owners will not have to worry about leaky pipes, clogged drains, backed up showers, malfunctioning toilets, and more. Their plumbing services include: water heater repair & installation; drain cleaning; sewer repair; camera inspection; shower drain repair; toilet repair & replacement; fixture replacements; sink repair; sump pump repair & replacement; battery backup systems; on demand (tankless) water heaters; remote monitoring and flood alarms; leak repair; and maintenance agreement (includes annual plumbing inspection).

?Clogged drains are one of the most common plumbing problems in homes. It is possible to use DIY tools and techniques to solve the clogs in the kitchen or in the bathroom for certain cases. However, when the blockage seems to be more severe, it is advisable to call for a licensed plumber who can bring along their professional equipment to clean your clogged drain efficiently and effectively,? says Bill Durand, General Manager for Northwest Plumbing Heating & AC. ?We also recommend our Service Partner Agreements that will help you keep your plumbing in the best shape, that may also include your heating and cooling

systems.?

Those who become a service partner of Northwest Plumbing, Heating & AC can enjoy several benefits. These include: priority service; no emergency service fees; high-performance tune-up; 10 percent discount; 100 percent satisfaction guarantee; postcard reminders sent to the client regarding the annual maintenance check; service by professional and qualified technicians; and the agreement is transferable.
