Northwest Plumbing Heating & AC Revamps Furnace Repair Services to Keep Homes Toasty This Winter

January 06, 2025

DAVENPORT, Iowa - January 06, 2025 -
Northwest Plumbing, Heating & AC, a trusted home service provider in the Quad Cities region, is turning its attention to furnace repair and installation as the colder months approach. They aim to keep homes warm and comfortable, quickly addressing any heating issues. While focusing on heating services, they remain committed to their core plumbing services available all year.

The company provides a range of furnace solutions tailored to different household needs. Their skilled technicians can handle repairs on all types of heating systems, including traditional furnaces, geothermal units, and high-efficiency systems. Northwest Plumbing, Heating & AC also offers 24-hour emergency services, ensuring they're ready to help in urgent situations.

To help customers manage costs, Northwest Plumbing, Heating & AC offers financing options in partnership with GreenSky®. This makes it easier for clients to afford necessary repairs and installations. "We recognize that heating repairs can be unexpected and potentially costly for our customers," said Bill

Durand, a representative from the company. "Our aim is to provide superior service without adding unnecessary financial burden." More details about financing options can be found on their website at northwestplumbingheatinga-c.com/financing-options.

In addition to heating solutions, the company also offers comprehensive plumbing services. These include repairing water heaters and sump pumps, drain cleaning, leak repairs, and more. Their wide range of services ensures they can handle various issues, keeping homes running smoothly throughout the year. Those interested can learn more about their offerings by visiting their website at northwestplumbingheatinga-c.com/plumbing-services for a detailed look at their plumbing services.

Northwest Plumbing, Heating & AC is committed to customer satisfaction and even provides a "Deal of the Month" for clients to benefit from added value. Currently, there's a $100 discount on new system replacements as part of their 100th-anniversary celebration, valid until November 30, 2023.

The company stays connected with customers through social media and their blog, offering updates on promotions, service news, and tips for maintaining plumbing and heating systems. They maintain an active presence on Facebook, Instagram, Twitter, and LinkedIn.

Their website also serves as an informational hub, where customers can find details about services like furnace repair and plumbing solutions at northwestplumbingheatinga-c.com/services. Company representatives are available to offer free estimates for furnace and heating system replacements, aiding homeowners in making informed decisions about their heating needs.

Northwest Plumbing Heating & AC has a strong reputation for customer satisfaction, with an average rating of 4.8 out of 5 stars on Google from over 700 reviews. "Our clients' comfort and satisfaction are central to our operations," Durand added. "Every review and feedback we receive helps us improve and tailor our services to better meet our customers' needs."

Looking ahead, the company remains focused on providing excellent service while integrating environmentally responsible practices. They aim to use energy-efficient and sustainable solutions to minimize environmental impact.

By expanding into advanced climate control solutions, Northwest Plumbing Heating & AC shows their dedication to setting industry standards and meeting their customers' changing needs. Their goal is to offer reliable, efficient, and affordable heating and plumbing solutions to ensure homes remain comfortable.

For more information, potential customers can visit their resources page at northwestplumbingheatinga-c.com/monthly-specials to discover monthly specials and detailed service offerings. This news article showcases how, after nearly a century in operation, Northwest Plumbing Heating & AC continues to be a reliable part of the Quad Cities community, committed to excellence in everything they do.
